A squad of Marines drove up the highway between Basra and Baghdad. They came upon a badly injured Iraqi soldier. Nearby on the opposite side of the road was an American marine in a similar state.

As first aid was given to both soldiers, they were asked what had happened.

The Marine responded "I was heavily armed and moving north along the highway. Coming south was a heavily armed Iraqi soldier".

"What happened then?" the corpsman asked. "I told him Saddam Hussein was a miserable piece of shit, and then the Iraqi told me that Tom Daschle, Ted Kennedy and the Clinton's were miserable pieces of shit."

"We were shaking hands when the truck hit us."

Here's a better joke:

Kerry says:

"The Republican Attack Machine has welcomed me to West Virginia today with another distortion... I actually did vote for the \$87 billion before I voted against it."
