who wants some AOW?

2v2 up to about 6v6 would be ideal, we could go higher. We can host, maps+side would be your choice.

Theres clan here but they cant compare. The games are just boring and are a big waste of time.

Hi spoony, regarding the friendly clanwar during this weekend, I need to know the time you and your clan are available. It'll most probably be played on Sunday and either you guys or a neutral party would host the server. Please reply asap.
