ok i've been sitting on my ass for to long and i need sumthin to do. I've drawn up a few maps to make and are thinking about which one. But, i'd also like to see wut you all want because alot of mod maps are made and played for 2 or 3 weeks and then they may only have 1 server running after that. So, i'd like to kno wut you all would want to play, so it will be played. Dont give me stupid ideas like a walmart and target, "GDI being walmart and Nod being Target." give me sumthin that would use my time up!!!
