i try to connect to baja serv where they have renguard and i get kickt why, i have that stupid renguard

look this is the reason:

You have been kicked by RenGuard from Server [BR] Baja Clan /Renguard for: Skins are not allowed on this server..

WTF is that for Bullshit

It means the server owner turned on Pure Mode...which enforces the players to have no modified files. Blame the server admin not Renguard :twisted:
