i can't join renegade
becase i have to make a new accaunt
thats where i get a error
so i can't play
plzzzzzzz help me

You could try this:

WOL Registration

But it requires you to have an existing login already so i dont know if this will work for you

Contact EA Customer support , they fucked up Renegade ever since they shut WOL assholes

the renegade registration isnt up right now and neithir is WOL.

try to register a name after the server goes back up it should work then
